WATER AND POWER REQUIREMENTS:

- Requires a 30 amp circuit due to the AC unit
- The unit has a built-in generator, if needed
- Standard hose hook-up

Live poll voting displays triggered by the soap spout you place your hands under. 12" screens display results and graphics of choice.

Men's urinal gives you the chance to change your surroundings, with your stream. Utilizing 24 sensors embedded in the ring of the urinal you can strike certain "notes" while doing your business.
